Sponsorship Opportunities

California Trails & Greenways Conference

April 18 to 20, 2012

Woodland Hills Marriott

The 27th *California Trails & Greenways Conference* will take place April 18 to 20, 2012 (Wednesday through Friday) at the Woodland Hills Marriott in Los Angeles County. This year's conference will provide valuable insights into linking trails to transportation funding, the expanding role of trails in fostering health and well-being, and exploring a wide variety of partnerships.

Sponsorships provide significant opportunities to ***promote services, products and agencies through email promotions, links from California State Park's website, on selected conference items, and in our exhibit areas.*** As the only statewide, non-motorized trails conference in California, our email database serves nearly ***3,000 trail designers, builders, managers and volunteers*** -- many with direct purchasing and contracting authority. With ***over 400*** trail professionals and volunteers from local, state and federal agencies, conservation and nonprofit organizations expected to attend this 3-day conference, our ***exhibit space*** and other ***marketing opportunities*** guarantee frequent and meaningful exposure to your agency or organization.

Whatever sponsorship package you choose, your tax-deductible contribution to the nonprofit *California Trails Conference Foundation* is applied directly to conference costs and reduces registration fees for all attendees -- a truly appreciated gesture at this time. This is a truly unique opportunity to ***directly connect trail planners, builders, managers and volunteers*** from throughout California to your services and products.

Please review the Sponsorship Package information and complete the Sponsor Forms (pages 3 & 4) to your desired level of involvement. For more information about the *California Trails & Greenways Conference*, view the Conference website:
